

Ref: DGCAR/FS/OAA/4/1/5<sup>335</sup> /2023

Date: 7 June 2023

**Capt. Abdullah Al Bulushi**  
**Accountable Manager**  
**Oman Aviation Academy**  
**Suhar Sultanate of Oman**

After Compliments,

**Subject: Application for Exemption**

We refer to your letter OAA/CAA/21/2023 Dated 30<sup>th</sup> May 2023, presented for the Exemption to conduct the acceptance flight for Pipistrel SW121 aircraft by the factory pilot Mr. Jago Stemberger.

The Authority has reviewed request of OAA to take ownership of aircraft and have it ready to deliver the relevant training has considered the granting of exemption as contemplated in CAR 10.025.

Having duly assessed the risk and compliance implications hereby grants the following Exemption with following applicable restrictions;

1. CFI of Oman Aviation Academy with his valid documents will always be on board during the series of flights ensuring adherence to regulations and providing local area knowledge.
2. A relevant briefing will take place before each flight.
3. All flights will be conducted under VMC conditions.
4. No flight will be operated over cities or populated areas.
5. No Flights will be conducted in low level or in contradiction to the laws and regulations of the Sultanate of Oman.
6. CAA Oman to be notified for all flights during acceptance process.
7. This exemption is valid from 15<sup>th</sup> June to 15<sup>th</sup> July 2023

Your cooperation is appreciated.

Best Regards,

**Engr. Hilal Said Al-Hatmi**

**Acting Director Flight Safety**
