DEFINITIONS

08.1 General

These CANs are issued by the Director-General of Civil Aviation and Regulation from time to time to provide practical guidance or certainty in respect of the statutory requirements for aviation safety. CANs contain information about standards, practices and procedures acceptable to PACA. A CAN may be used to demonstrate compliance with a statutory requirement.

08.2 Purpose

This CAN provides guidance to permission holders and aviation users of changes to current regulations.

08.3 Applicability

This CAN is applicable to the Civil Aviation Regulations issued by the Public Authority for Civil Aviation in relation to current regulations in force whereby some of the subject matter contained within has been superseded by the publication of a new or amended definition by ICAO.

08.4 Published Definitions

- (1) This CAN is issued in reference to Definitions published within CAR-1.
- (2) Definitions published in current regulations.
- (3) Definitions published in the Civil Aviation Law of the Sultanate of Oman.
- (4) Aviation Definitions published by other entities that differ from published ICAO definitions.

08.5 Effective Date

This CAN will be effective from the Date of issue.

08.6 Use or applicability of Definitions

- (1) ICAO publish approved definitions and acronyms for use within the aviation industry in the ICAO Annexes and supporting published Documents.
- (2) The ICAO published definitions are reproduced in CAR-1, issued by PACA for use within Oman.
- (3) In the event of a published aviation definition being reproduced in a document which has not been issued by PACA, then the applicable definition issued by ICAO shall be used as the final definition of that subject matter.

08.7 Cancellation Date

This CAN shall remain in force until otherwise cancelled.
